

OUR SPORTING LIFE

January - February 2019

A LETTER FROM THE CHIEF EXECUTIVE OFFICER

Happy New Year! Welcome to 2019 at Houston Oaks!

First, I hope this note finds you well and that each of you had a Merry Christmas and a holiday season filled with happiness, meaningful family time, rest and relaxation and new memories made. It was wonderful to see so many members, families and guests enjoying the Club during the busy month of December, and I would like to thank you all for your support and patronage during the holiday season and throughout the past year. Looking ahead to the New Year, the team here at The Clubs at Houston Oaks is excited to introduce new and exciting events for your enjoyment, in addition to bringing back the annual favorites you all know and love, so be on the lookout for more information (and more advance notice, whenever possible) about all the Club has to offer.

My first full year as your CEO/GM has been thoroughly enjoyable and very rewarding, and it has been wonderful to meet so many members of the Club, build positive working relationships with my co-workers, and immerse myself in the hard work of managing, operating and leading such a diverse and multi-faceted Club and Home Owners Association. Positive progress has been made and the best is yet to come! The Clubs at Houston Oaks is a unique and special Club, and the 2019 year is dedicated to better anticipating your needs and desires as a Member, expanding our offerings and programming, and improving our execution, in every department, for your enhanced enjoyment.

January and early February are often quieter months of the year, with folks back to work and school following the holiday season. The Club is here for you, and I hope you will choose to visit as often as you are able for a round of golf, wine tasting, horseback ride, great meal or social event, or just to escape the hustle and bustle of your busy everyday lives. Please know that your dedicated team of Club employees is here to serve you and looks forward to hosting you here at the Club whenever you can make the time to visit. Be

on the lookout for special events and activities that capture your attention and be sure to read the newsletter, check the website and review our weekly e-mail blasts to stay informed about the various happenings at Houston Oaks.

Finally, as we embark upon a New Year together, please be reminded that the Club is always striving to welcome new members to the Club; and that the vast majority of new member referrals come directly from you, our happy and engaged members who choose to share the “Houston Oaks Experience” with friends and professional colleagues. We have many exciting things planned for 2019, and we look forward to serving you and your family and friends often this year. If there is anything we can do to elevate your experiences at the Club, please reach out to any one of our fine Club associates or me.

See you at the Club,

Bob Gusella, CCM, CCE
Chief Executive Officer/General Manager
936-372-4330 / rgusella@houstonoaks.com

P.S. THANK YOU! On behalf of our valued Club associates, I offer a very sincere “Thank You” to every Member who generously contributed to the Employee Holiday Fund in 2018. Member contributions, which totaled approximately \$86,000, were disbursed to eligible staff members just in time for Christmas and everyone really appreciated the extra holiday “bonus.” Thank you, thank you, thank you!

FROM THE ASSISTANT GENERAL MANAGER

As I write this article, we are experiencing a late December cold snap and our warm Clubhouse fire is a welcome sight. Yesterday it was hot outside, and I am sure in a few days it will be warm again. Welcome to Hockley, Texas where the weather changes by the hour! We have enjoyed a great holiday season at the Club, and Sandy and our team did an outstanding job with the holiday decorations this year. Spring will be here all too soon!

I hope this holiday season you had an opportunity to visit the Club and enjoy some of our events. The Pancakes with Santa event was outstanding! The children and families that came out to visit with Santa enjoyed the festivities, many took the time to decorate a gingerbread house, and they all had a great time while creating new holiday memories. Our Jingle and Mingle Christmas Party was equally fantastic. We had live music in three different areas of the Clubhouse, food stations, snacks and beverages were everywhere – even Santa Claus made a surprise appearance! We celebrated New Year's Eve with a college football tailgate party at the Gun Club and a family-friendly night of a la carte dining in the Main Clubhouse.

As we move into the New Year, please be sure to review the Club's calendar. We have created more new and fun events this year and we are ready for you, your family and friends to enjoy. I would also like to remind you to download the Club's app. The app is a useful tool for using the Club - you can make reservations for all of your favorite activities, view your statement and look at the calendar.

For now, make it a point to stop by the Clubhouse to enjoy our inviting pinion wood fires, sample a great bourbon (or two) and catch up with old friends.

Our team looks forward to serving you in the New Year!

Sincerely,
Travis Dale, Assistant General Manager

THE CLUBS AT HOUSTON OAKS RECOGNIZED AS A DISTINGUISHED CLUB FOR 2018-2019

The Club is very excited to announce that The Clubs at Houston Oaks was awarded the prestigious Distinguished Club award for 2018-2019, as determined by the annual Distinguished Clubs award program conducted by BoardRoom magazine, one of the most respected trade publications serving private clubs.

“We’d like to congratulate The Clubs at Houston Oaks for earning Distinguished Club status,” said John Fornaro, Publisher of BoardRoom magazine, “Special recognition also goes out to Houston Oaks’ CEO/General Manager, Bob Gusella, CCM, CCE, as well as the club’s Owners, its department heads and entire staff for their efforts in providing an excellent member experience.”

Once received, the commemorative wall plaque recognizing this significant achievement will be proudly displayed in the Membership Lounge at the Administration Office.

The Rules of Golf, as established by the United States Golf Association (USGA) and R&A, have undergone significant changes that will be in effect as of January 1st, 2019. As such, play will be contested in all Competitions and throughout the Tournament Season using the 2019 Rules of Golf. To fully understand the new changes, below is some new terminology that you must first know:

The new 5 designated areas of the golf course:

- **General Area** – previously known as “through the green”, the general area covers the entire course, except for the following four specific areas.
- **Teeing Area** -area where the player must start play of the hole.
- **Bunker** – a specially prepared area of sand.
- **Penalty Area** – previously known as “water hazards”, includes all areas defined by the committee as a penalty area (with or without water).
- **Putting Green** – the putting green of the hole the player is playing.

The 20 Most Important Changes to the Rules:

- **Search Time** - reduced from 5 minutes to 3 minutes
- **Ball Moved During Search** - replace with no penalty
- **Embedded Ball** - free relief anywhere through the course
- **Measuring a Drop** - use longest club (except putter)
- **Taking Stance on Wrong Green is not Permitted**
- **Ball Unintentionally Hits Player or Equipment** - no penalty
- **Double Hit** - no penalty, now only counts as the 1 stroke
- **Touching Sand in Bunker Incidentally is Permitted**
- **Lose Impediments Can be Re moved Anywhere Including Hazards**
- **Dropping a Ball out of Bunker** - 2 penalty strokes
- **Water Hazards** - now called “penalty areas”
- **Touching Ground in Penalty Area** - no penalty
- **Ball Moves on Green After Being Marked** - replace without penalty
- **Ball Accidentally Moved on Putting Green** - replace no penalty
- **All Damage to Green Can Now be Repaired**
- **Positioning a Club for Alignment is Not Permitted**
- **Caddie Assisting with Alignment is Not Permitted**
- **Putting with Flag Stick in Hole is Now Permitted**
- **Ball Wedged Against Flag Stick and Side of Hole is Deemed as Holed**

These are just a few of the changes for 2019, and I encourage everyone to stop by the Golf Shop to see more detailed

explanations of the new rules. Please pay close attention to the new Relief Area measurements. There is a great illustration of this in the 2019 packet. Also, please make plans to attend our special Rules Seminar that we will be hosting on January 12, 2019. The new rules changes make more sense and are designed to help speed up play as well. Also, a member of our Golf Staff or I are always available to help you with how to interpret or understand the new rules for 2019. Please feel free to ask if you have any questions.

Inaugural Family Affair Golf Tournament:

The inaugural Family Affair Golf Tournament was held the day after Thanksgiving, with the weather turning out spectacular and the families having a great time on the links. The format was a “Scramble” and all participants had to count at least three drives to keep everyone fully engaged in the game. The team of Chris Winn and daughter, Reese, won Division 1 with a net score of 34 and Kevin Herbert and son, Max, took Division 2 with a net score of 30.8. Congratulations to everyone who participated; we look forward to more participation next year as we make this an annual event at Houston Oaks. Make your plans now to participate next year on the Friday after Turkey Day!

Major Tournament Dates for Golf 2019:

March 23rd	Pins & Fins Tournament
April 13th	Masters Par 3 Tournament
April 13th-14th	Member-Member
May 16th -18th	Member-Guest
August 17th-18th	Senior Club championship
September 6th	Legacy Member-Guest
September 14th-15th	Club Championship
October 10th-13th	Big 12 Match Play (course closed)
October 19th-20th	MGA Ryder Cup

We have several other smaller tournaments scheduled such as MGA monthly events, Ladies Days, Couples 6@6, Guest Days, etc., that will be published in January.

Keep it Simple,
Darren Howard, Director of Golf
936-372-4341 | dhoward@houstonoaks.com

Final Top 10 MGA Order of Merit:

1. Robert Siegel
- T2. Ryon Herber

FROM THE LINKS

This year has been an exciting one at Houston Oaks. We hit the ground running as the weather warmed up with a major golf event with the STPGA. The event was a huge success as we received many great compliments from the visiting pros. After this event was completed, we never looked back. We rolled into the Member-Guest, Club Championship and several MGA events, ending the season with the inaugural Big 12 Match Play Tournament. The course really shined, and held up great through all of these events.

The crew at Houston Oaks put in a lot of work getting ready for all of these events. Planning and timing to make sure the course peaks at the right time is crucial. I cannot say enough about the team we are assembling at the Club. Without their persistence and hard work on a daily basis, we could not present the golf course that everyone enjoys. Even though the days are shorter and the weather is colder, we do not slow down. We are focused now on making sure the greens stay healthy throughout the winter months so that when spring rolls around we are ready to go. We invest this time planning for the upcoming season. The mechanics are working diligently, sharpening mowers and going through all of the equipment with a fine-toothed comb to ensure we have fewer breakdowns and mechanical issues when the machines are needed most. We continue to organize the maintenance area behind the scenes and ensure that all of our fertilizer plans and disease prevention plans are in place for the upcoming season.

I hope that everyone has enjoyed the Club immensely in 2018, and we are all looking forward the upcoming season. We will continue to strive to improve our Club and golf course every year, so that conditions, appearance and playability are always better than the previous year. I hope everyone had a great holiday season and I look forward to seeing you at the Club.

Smooth Rolling,
Kevin Borowski, Director of Agronomy & Grounds

CULINARY

Another year has come and gone. Another garden grown and harvested. This time of year is a good time to look back and review. What worked well? What didn't work so well? What can we do next year? That's exactly what we are doing here in the kitchen as we approach the New Year.

We have a dedicated, talented, and motivated culinary staff that continues to collaborate on new ideas; whether it is a great recipe, a new cooking technique, or a new type of herb or vegetable we can grow. We all have a desire to provide you with the best dining experience you have had at the Club, every time you come join us. For 2019, it holds a lot of new ideas, concepts, and activities.

As we approach year-end, it is fascinating to look back and see exactly what we accomplished. "You can't know where you want to go, unless you know where you have been." Here are some astounding numbers that would baffle most people, starting with the sheer amount of products we have gone through just in 2018. Our garden here at the Club produced over 5,600 pounds of organically-grown vegetables and herbs, all of which was planted, cared for and harvested by our awesome gardener, Jeannine Hopkins. She also harvested 22 gallons of honey from our beehives on property. We have used 2,500 pounds of butter, cooked over 40,000 eggs, used over 500 gallons of milk, crisped up over 4,000 pounds of bacon and more than 2 tons of ground beef; and to wash it all down we have gone through 4,000 bottles of Gatorade and a jaw dropping 85,000 bottles of water. This is just a fraction of what comes (and goes) through the doors here at the Club.

Understanding what we've accomplished this year, we are excited for what lies ahead. We have a wonderful garden planned for this upcoming spring, as we are already acquiring seeds to start, and get sprouting before it even starts to warm up. We are going to start an insectary garden, which will help with maintaining the good types of insects that help with the natural balance of the ecosystem. It invites certain insects that prey on plant-eating pests, which in turn help us with our production. In addition, we want to start a special pollinator garden, which will help our bee colonies thrive, "bee" happy, and produce more honey!

Another thing that will be new and exciting in 2019 will be our culinary driven "Pop-Up Dinners." Some will be themed, others not so themed dinners, and hosted at venues all over the Club. There will be a set menu, which will be unannounced (kept a surprise) until diners arrive. Pop-Up Dinners will allow for a limited number of participants, so the earlier you sign up, the better your chances of getting a seat! This forum gives our kitchen crew a chance to step

"outside" of the regular day in the kitchen and come up with new and interesting dishes - to give the culinary imagination a little freedom, per-se. A fun and engaging experience for all involved!

Many new things have been happening around the Club. You may have noticed that our menu has changed recently inside the Clubhouse. We have had some changes at the Gun Club as well! Our beloved Park House is in the process of getting some new equipment to better accommodate everyone who enjoys this venue. And, of course, Bunker 55 is now open, with a brand new kitchen for all of the special occasions! The Bunker Kitchen is also a great venue to host corporate team building exercises, such as our group-involved Mystery Basket cooking dinners! These are always a fun experience, whether you are a master home cook or just a beginner.

And as we close the door to 2018, and open the door to 2019, I want to personally thank each and every one of you who love, believe in, and enjoy everything we have to offer here at Houston Oaks. We, in the kitchen, get to enjoy a great environment, all thanks to you! We wish nothing but the best for you in the New Year, and hope to see everyone out at the Club soon. Please don't hesitate to pop-in and say hello! We love to see and hear from you!

Best Wishes!
Jeffrey Baker, Executive Chef

FOOD & BEVERAGE

Reflecting on this past year excites our team beyond measure, for the next year and the future of the Club. Moving into 2019, I want to share some of the things we have been working on. Over the last six months we have been building a collection of Whiskeys. This collection now totals nearly 100 different Bourbons, Scotches, Texas Whiskeys, and is headlined by 23yr Pappy Van Winkle, Macallan 25yr, Blanton's Single Barrel, Weller 12yr, Thomas Handy Rye, and Jack Daniel's Sinatra Select to name a few. We will continue to curate fine whiskeys and will be adding Tequila and other spirits, as well. Be sure to stop me to try something new the next time you visit the Club!

In November, we hosted Mr. Richard Tiedemann from Flora Springs for a very successful wine dinner; and on New Year's Eve we featured another beautiful multi-course dinner with excellent wine pairings. In 2019, we will continue this trend. About once a month, look for a special dinner featuring pairings of wine, beer, or spirits. In January, we will host Crosby Roamann, and in February look for an exciting, romantic, feature dinner on Valentine's Day.

Lastly, to celebrate our recognition as a Distinguished Club, we have a limited allocation of special-edition wine made and bottled exclusively for Distinguished Clubs. This 2013 Vintage Cabernet Sauvignon from Napa Valley comes in a beautiful and unique custom-made bottle featuring two flat surfaces; it drinks beautifully now and is designed to wow! This tasty wine, priced at \$125++ per bottle, is available in extremely limited quantities and will not be produced or bottled ever again! Send in your wish list today.

Bon Appétit,
Logan Chilton, Food & Beverage Manager

CATERING & EVENTS

In the Catering & Events department we are always striving to improve, and determined to make each event better than the last. Our priority is to provide exceptional service and excellent experiences to you, your families and guests.

We have recently implemented several new policies, including the waiver of Legacy Boardroom fees for all Legacy Members and the creation of special pricing for the rental of Bunker 55 for wine cage tenants. We offer a catalogue for unique special event rental items with the idea of one-stop shopping. Need an event that incorporates an element of team-building? We'll make that happen! From cooking classes with Chef, wine tastings with our Sommeliers, team penning with our Ranch Manager, golf tournaments on our championship course, fishing competitions in one of our stocked lakes, to clay shoots at the Gun Club - the possibilities are endless!

I invite you to look to us as your personal event-planning team. Our focus is, and always will be, on making your celebrations extraordinary by tailoring them to your individualized needs. As I raise a proverbial glass for a New Year's toast, here's to wishing you and your family a happy & healthy year full of joy and good cheer!

At your service,
Yvette Openshaw, Director of Catering & Event Sales

LODGING & MEMBER SERVICES

Thank you all for the warm welcomes I have received since my arrival at Houston Oaks in late October. Making the move to the States from my native Puerto Rico, and being far from family and friends over the last 8 weeks, I have found comfort in meeting you all and spending some quality time with you. Thank you for making me feel like part of the family at The Clubs at Houston Oaks.

Lodging:

I have some exciting news to share as we kick-off the New Year! To say “thank you” for your support, add further value to your Club Membership and encourage you, family and guests to enjoy our fabulous lodging venues even more frequently in 2019, new seasonal rates have been established and take effect on January 1st. In addition, we will be offering new lodging packages and other special promotions throughout the year! From now through March 15th, enjoy winter-season rates featuring discounts up to 40% off our peak-season overnight rates. Make a New Year’s Resolution to stay with us and enjoy the Club’s facilities more often in 2019!

Member Services:

Member Services is your “one-stop shop” for information and reservations. Our attentive concierges will be happy to assist with lodging reservations, dining reservations, schedule spa appointments, set up tee times, arrange for a fishing excursion or even book a shooting session. Just give us a call or send us an email and we will take care of it, happily and efficiently.

Finally, if I have not yet had the pleasure of meeting you I look forward to doing so. Please stop me to say hello and we can chat about your lodging needs or general information about the Club. Happy New Year!

At your service,
Ben Romero, Director of Lodging & Member Services

THE RANCH

It’s that time of the year. Holidays have come and gone and we are anxiously awaiting the arrival of the new baby calves. We are expecting a bunch of new babies in the New Year; as of this writing, 10 new babies have already been born and they are happy and full of life. On warmer days, you can come and see them running around and playing with each other. We are expecting about 120 more calves this year.

We are preparing for a very busy 2019 year. We will be rolling out a new list of events and activities. Some of the things we will be introducing include Guys’ Cattle Poker Night, Live Music with a Trail Ride, Equine Game Night and some team sorting events, just to mention a few. Watch the Events Calendar and call me for information on any upcoming events. We look forward to seeing everyone this year and, more importantly, having a good time with you. If you have any questions about our program or upcoming events, please feel free to call me at any time. We really look forward to having you.

Always Horsing Around,
Bret Dolan, Ranch Manager

GUN CLUB

2018 Member Guest Shooting Tournament:

Winners of Flight 1 were Ryan Gerlich and Kent Fiedman; Second Place went to Kory McNeil and Kieth Thamer. Winners of Flight 2 were Landon Folkerts and David Saunders; Second Place went to Mike Monsive and Matt Metcalf. The overall Top Shooter was Kent Friedman with an impressive display of accuracy on a very difficult course. Congrats to all competitors, as we look forward to our next Member Guest on August 23, 24 and 25 of 2019. Mark your calendars!

Women's Shooting Events:

We have formed an impressive group of lady shooters who meet on Fridays or Saturdays for free Lessons. Paula Winter is our Gun Club - Ladies Chair and reaches out to our increasingly large group of shooting women of all skill levels, including Juniors. We are planning a Guns and Roses Event soon. Be on the lookout for an email from Paula or myself.

Have a Blast,
Phil Bankston, Director of Shooting

TENNIS CLUB

I want to start by thanking everybody who made 2018 such a successful year for the Tennis Club at Houston Oaks. Whether you picked up a racquet for the first time, or played in the likes of our Wimbledon Whites or Team Tennis mixers, it was truly great to see so many of you enjoying your time on the courts this year. And, of course, congratulations to all of our 2018 Tennis Club Champions!

Looking ahead, I hope the coming year will be even bigger and better, and the Tennis Club will continue to grow. We have some exciting events organized throughout the year, for players of all levels and abilities, alongside the regular clinic schedule.

Finally, I would like to take this opportunity to invite any interested parties to attend a luxury tennis retreat, camp or event operated by Cliff Drysdale Management. Please contact me if you have any questions or queries and I will be happy to help – these camps and retreats are excellent and not to be missed!

On the Court,
Michael Donald, Director of Tennis
Cliff Drysdale Management

FISHING CLUB

Happy New Year everyone! As we roll in the New Year, fishing at the Club is still phenomenal. We've recently stocked Rainbow Trout in Park House Lake and Lazy Oaks Lake. We have been catching trout of all sizes, starting at 12" all the way to 20". They are being caught on inline spinners and rooster tails, size 0-1. You can also go after the beautiful Rainbows with your fly gear. If you forgot yours at home, don't worry; we have extra flies and rods for you to use. We have been successful catching them on flies that mimic minnows and woolly bugs.

2019 is going to be a great year for fishing! We have Junior Clinics scheduled for the third Saturday of every month. Our first tournament will be the Trout Derby on Saturday, February 2nd, followed by a "Pins and Fins" Golf and Fishing Tournament on Saturday, March 23rd. To conclude our Trout season, we will have a Close Out Tournament on Saturday, March 30th. Keep an eye out for the Weekly Update and emails regarding these upcoming events.

If you're going after Largemouth Bass this season, you're in luck - they are just as active as ever. As we approach the spawning season, they will turn their attention to making beds and guarding them against predators. I would target shallow water and shorelines with structure around them. Using jigs with crawfish, or Texas/Carolina rig salamanders will pay off. Top water and swim baits are still holding true as well.

As always, I am happy to help guide you on a rare trout fishing adventure here in Texas or help land you a monster Largemouth Bass. If you need help with your gear or advice on what to use, stop by Fish Camp and I'll be happy to help out.

Happy Fishing,
Jeff Lyons, Director of Fishing
