

HOUSTON OAKS

FAMILY SPORTS RETREAT

MEMBER NEWSLETTER

WINTER ISSUE | JANUARY - MARCH 2016

Special thanks to our "employee/family actors" of the haunted house: Marshall Leonard, Cecilia (CC) ShanBrown, Justin Tilton, Laurie Martin, Sheila Nelson (creator), Kathy Tilton, Donnie Tilton, Larry Monticolo, Jeff Martin, Sandy Soule, Bret Dolan.

Marci Alvis
CEO

A MESSAGE FROM THE CEO

Dear Members,

I can't help but look forward to this coming year! While all of us at Houston Oaks are balancing every day activities and guest needs, we have also been planning fun activities for the months ahead for your family and friends. Golf has been the foundation of most clubs, however our club was built around friendships and relationships. But, now golf's time has come to HO! Chet Williams has created a memorable course that is strategic, yet fun for golfers of all ages and abilities. The course will be longer but the play will move along due to our new junior tees. Future indoor hitting bays are in the design phase. This will also be a small venue for club, private, and corporate events. The hitting bays will be located next to the practice area at the First Tee facility.

The current villa lots are sold out! Lazy Oaks Lane is the next phase of residential development with twelve new home sites located between the former 5th and 6th holes along the south side of Fish Camp Lake. We will also be remodeling the old administration buildings to create a beautiful entry to the new neighborhood with an architectural design to compliment the Houston Oaks Hotel.

In January, we are beginning the construction of a 6 court, lighted tennis complex. Our new tennis pro, Liezel Huber, ranked number one in the world for 199 weeks, along with her coaching husband, Tony Huber, will be developing our tennis program with leagues and many social activities. The Park House will have a small tennis shop for racquets and merchandise and will open along with the courts this April.

What I am really looking forward to is the contribution from our Member Committee Chairs. These volunteers will ensure that the activities of our club are fulfilling member needs and encouraging participation in each event. Our desire is to keep your kids off of their electronics and on to bikes, horses and other outdoor activities. We have a new Oaks Kids Club to provide professional childcare services. The emphasis is on safety, education, and lifestyle fitness. We are providing childcare activities at least two nights per week. Childcare is also available by scheduling in advance with Amanda McGuire, our new Oaks Kids Coordinator. She can be contacted at amcguire@houstonoaks.com.

While you stay with us, we want you to feel at home away from home. Our goal is to help parents relax, renew, and spend time with each other while the kids are having fun too. We also want to nurture good habits for a healthy lifestyle for you and your family. We are building our fitness program with an emphasis on full family fitness. As a reward for working out, we will now have a full-time massage therapist on duty Wednesday through Sunday.

Your owner's passion to create unforgettable experiences for you will be evident as we roll out this year's calendar. Our focus is on service and our commitment is to a high level of hospitality in lodging, dining and beverage, and all other activities offered at the club. Come out and enjoy what's new at Houston Oaks. We will try to "wow" you at every turn!

Fun times,
Marci Alvis

WINE NOTES

Cecilia Shan-Brown
Beverage Director

What a great way to start the New Year as your first Member Liaison. As I grow and evolve as your Wine Director for the third year at Houston Oaks, I am equally excited to be the ambassador for our members. It will be my commitment to make sure our members' voices are heard and communicated clearly to the proper decision makers for resolutions. For example, one very important issue that we tackled recently is child care service at Houston Oaks. With the help of the Frederick's, who are the Chairs for our Kids and Family committee, we are well on our way to establish a well-organized childcare service. As part of my role as the Member Liaison, I have spearheaded and selected the member committee chairs as listed below. These amazing members will collaborate with our staff to create successful member events, plan and delegate execution of programs, solicit feedback, and improve member experiences at Houston Oaks Family Sports Retreat. Cheers! CC

SMALL BITES

Thomas Perez
Food & Beverage
Director

Thomas Perez, world-class sommelier and food expert, has traveled the world in search of the best chefs and wine makers. His impeccable palate and profound understanding of food and wine have been molded by his travels throughout Spain, France, Germany, Italy, Argentina, Mexico, and regions across the United States. The evolution and cultural distinctions of various cuisines are a small piece of what keeps Thomas studying, experiencing, and sharing his passion with those around him. After nearly 20 years serving as food and wine director at high-profile properties such as The Inn at Dos Brisas, Relais & Chateaux, Aubergine L'Auberge Carmel, Relais & Chateaux, Cantinetta Luca and Marinus at Bernardus Lodge, Thomas brings a new and refined food and wine experience to Houston Oaks.

"In the last 20 years as a Food and Beverage Director, Sommelier and Wine Maker, I've had the opportunity to taste the most diverse grape varieties from blaufränkisch grown in Austria to Bonarda grown in Argentina, and various cuisine from all over the world. My travels and training at spots like at Domaine Jean-François Coche-Dury, Domaine de la Romanée-Conti in

Burgundy, France, Bodegas Luis Cañas in Rioja Spain, and Bodegas Barberis in Mendoza, Argentina have allowed me to reach the highest of standards while emphasizing my creativity in pairings, wine making, and as mixologist.

I am super excited to be part of the Houston Oaks Family Sport Retreat culinary team. I am currently working on an exciting bar program that will showcase what we grow on property. This will give me room to continuously create new recipes, and keep learning how to push the limits on this endless cocktail journey. My take is simple - having the farm at my fingertips with countless types of organic herbs, citrus, and heirloom-vegetables inspires me to create unique cocktails. I believe in simplicity. When I am designing a new cocktail menu I think of freshness, acidity, and vibrancy, and more importantly, food. I spent time in the kitchen early in my career, so when I think of a trendy drink I think about food and pairings. When I have a beautiful dish in front of me, I immediately think of how I can deconstruct it and make it into a exquisite cocktail."

Troy Anaya
*Licensed Massage
Therapist*

Abbey Touchette
*Licensed Massage
Therapist*

Please welcome Troy Anaya to our team here at Houston Oaks. Ladies will remember him from the 2015 Trail Ride. He has been a LMT since 2001, and offers several different forms of massage including Swedish, deep tissue, and sports massage. He has additional training in prenatal, reflexology, hot stone, chair, and Thai massage. Prior to his position as a full time massage therapist, Troy was in management for fifteen years. With the addition of Troy and his experience and background, Troy will be bringing all of that experience with him and adding more options to enhance your massage experience at Houston Oaks.

Come enjoy the Houston Oaks spa this winter with many warm-up specials. Your favorite winter packages are back, and are a great way to treat yourself or a loved one to a special massage.

Choose from The Divine, an 80 min treatment including a hot oil scalp massage, body scrub and 50 min massage using the "Divine" line from Caudalie. The Essential, which includes an anti-ox facial and 50 min massage using essential oils that promote detoxifying the body from the inside, out. The Scentsational will wrap you in the aromas of the season with a cranberry facial and a peppermint foot scrub and massage.

And last, we would like to announce a brand NEW treatment from Caudalie. The Fleur de Vigne is a treatment that is under the glow of a soft light of a massage candle that melts into a warm oil, delicately scented with Fleur de Vigne (Grape Blossom). This massage is for both men and women and will surely wrap your body in warmth during this winter season. For more detailed information on these packages, contact the concierge at 936.372.4312.

MEET THE PROS!

Liezel Huber
Tennis Pro

Tony Huber
Tennis Pro

TENNIS!

We are happy to announce our new lighted six-court tennis facility is approved and construction is under way! These courts are located in the same place as our old courts and are expected to be completed by April 2016. Then, weather permitting, we will have a grand opening with our new tennis pro Liezel Huber. Liezel has been ranked #1 in the world for 199 weeks. She has 7 Grand Slam titles and 57 WTA Tour titles. She is also a 3 time Olympian and US Fed Cup Team Member. Liezel is proud mother of 3yr old Joshua.

Her husband and coach, Tony Huber together bring over 6 decades of tennis experience. Tony's coaching background spans from being a Director at a private club to traveling the pro tour for the past 15 years. He experience includes working with tiny tots, league players, juniors and collegiate players to working with current and former world number 1's, Grand Slam Champions and Olympic Medal winners. He also a PTR National Tester, certifying coaches to teach tennis. They own Huber Tennis Ranch and are current Cypress residents. We are honored to have this team join us at Houston Oaks.

Exciting things to come!!!

Ladies Drill & Play, Leagues, Junior Programs, Tournaments, Wednesday Night Social Tennis, Private and Group Lessons.

Coming Spring 2016: Grand Opening featuring World Class Champions!

Darren Howard
Director of Golf

GOLF AT HOUSTON OAKS

Glow-Ball Putting Night

Over 40 participants took part in our First Houston Oaks Glow-Ball Family putting night. We had participants from 4 years old and up that enjoyed a fun night of Glow-Ball putting. Parents were able to enjoy this fun event with their kids and then everyone sat down to a fabulous "Family Night" dinner and the kids enjoyed a movie afterwards. Please check the calendar for more upcoming Family Night Fun and Couples Golf!

UPCOMING EVENTS

Ladies Golf Clinics at 10am & 4pm - January 7,14, 21, 28 February 4,11,18, 25
March 3,10,17, 24

Junior Golf Clinics at 11am – January 9,16, 23, 30 February 6,13,20, 27 March 5,12,19,26

Glow-Ball Putting at 6pm on the Putting Green – February 19

Couples Glow-Ball Golf on the Family Nine @6pm - February 27 March 11

Family Nine Horse Race @ 12pm – March 19

This will be an individual event that starts every competitor teeing off together on Hole #1 and depending on how many participants are entered, one or two people will be eliminated each hole until we get to #9 and only two people are left to determine the overall winner. Entry Fee is \$50 per person and all the money goes to pay 1st, 2nd and 3rd place. Please call the Golf shop with any questions and to register or go on our website.

Reciprocal Golf

Please remember the reciprocal agreements that we have listed on the website. If you have not had the chance yet to play Sand Hill Farms, you are truly missing out on an incredible golf experience. Several members have already played there and none of them realized *how great this facility is. Let me know and I can make myself available to take you around the course as well. Take advantage of this opportunity as it will go away when we reopen Houston Oaks!*

Walk the Course

Something New we have planned for every Saturday is a "walk the course". Join us early for breakfast then we will leave at 9:30Am to walk the new course as it changes every week. Wear appropriate clothing, especially shoes you can get dirty. This can be a great time to get to know other HO members as well!

**# 2 tee looking down the fairway.
It will be 5 feet lower in elevation.**

We hope to see everyone participate in these events and enjoying your club and the comradery with your fellow members.

Keep it Simple, Darren
Director of Golf

The Ryan Family ***Legacy Members - Joined 2013***

Tom and Amy Ryan met at Cypress Creek High School and just celebrated their 25th wedding anniversary. Although they both grew up in the Champions area in North Houston they now make their home in Memorial. Tom received a bachelor's degree in business from the University of Texas McCombs School of Business. He then worked as a certified public accountant with Coopers & Lybrand, LLP for eight years. Tom is currently the President and CEO of Service Corporation International, the largest owner of funeral homes and cemeteries in North America. Tom's philanthropic activities include serving on the Board of Trustees of the United Way of Greater Houston and Genesys Works, as well as serving on the University of Texas McCombs Business School Advisory Council. Tom is also a member of the Board of Trust Managers of Weingarten Realty Investors (NYSE:WRI) and Board of Directors of Chesapeake Energy Corporation (NYSE:CHK).

Amy followed Tom to Austin and also attended the University of Texas. Being the mother of 3 kids keeps her constantly on the run. You can always find her signed up to be the Room Mom or Team Mom for one of the kids. Amy loves to work out, run and travel whenever she can get away with it.

Even though the Ryan's are members of a country club and racquet club in Houston, they chose Houston Oaks as a "family retreat" that provides them a chance to offer their children a "life outside the city." Although their children keep them very busy they love to find time to escape and slow down a little and head to Hockley. They have 3 children: Meredith (15), Luke (12) and Mackenzie (9). Houston Oaks has something for everyone whether it is fishing or looking for turtles around the ponds, skeet shooting, a friendly family golf match or just driving the golf cart around ... no one is left out. With all of the kids playing organized team

sports it is such a nice change to enjoy the outdoors in a calm, relaxed atmosphere.

One of their favorite things to do is host and celebrate their birthdays at Houston Oaks. It is a treat for everyone, including the parents! You will never hear anyone say they are bored. The Ryan's believe Houston Oaks is truly a family get-a-way. At a time when everyone is so busy in their daily routines, it is a place where the family can go as a unit and re-connect, re-energize and relax.

The holidays are winding down and 2016 is upon us. I, for one, am extremely excited about the coming year. The golf course will be opening early fall and the product our renovation team is creating will be nothing short of spectacular. You can already stand in certain areas and look through the Oak groves to see rolling terrain with contours and features developing that will produce a golf experience second to none. The amount of dirt being moved is enormous and has consumed much of the construction companies' time to this point. The holes furthest along, which are numbers 4 & 8, are moving into the next phase which is drainage and irrigation. The current plan is to re-grass 9 and 18 as soon as we have the irrigation system operational. Those two greens will be "shelled out" and replanted a little later when the temperatures are more conducive to Bermuda growth and establishment. We are sodding everything except the greens, which will be sprigged. Sprigs are basically "the runners" that are harvested from a Bermuda field and spread out over bare ground. They are then pinched into the soil at which time we water and fertilize until we establish a solid cover of turf. That will comprise about 3.5 acres of the 100 acre project. Because we want to open this coming fall, the ownership opted for sod everywhere else. The last holes that get planted would not have enough time to grow in from sprigs before fall and is the reason for using the sod.

The family nine has been playing well. We plan to continue improving that nine every chance we get, especially when the grass begins aggressively growing again in March and April (that is my hope for an early spring). I also played

Sandhill Farms recently. Wow, what a fun track. It can play as hard or easy as you choose based on tee selection, and Brian does an outstanding job with his greens. I also

want to remind everyone of our disc golf course. It's a fun course and is a great way to get in a little exercise and can be enjoyed by players of all ages. See Darren in the pro shop for more info on the disc golf.

Also, I want to remind everyone that it is muddy on the Oaks course right now and all the cart paths are gone. Please refrain from touring the construction. Darren will tour any of those interested in seeing the

progress. Likewise, we have cart paths EVERYWHERE now except the construction site, including the path to the ranch. I bring this to light because unless one has a cart for golf, there is absolutely no reason to be off the path. We would rather spend our time and resources making things better instead of repairing cart damage, and the owners have made all areas of the facility accessible with paving and paths to preserve the natural and planted areas for your enjoyment.

Finally, I want to thank each and every one of you for 1) being a member here. It often goes without saying but without the members, there is no club so thank you very much; 2) the warm welcomes I continue to receive and the great support I have in this membership and 3) being

patient with our progress. The future of Houston Oaks and its amenities continues to get better and it takes the patience and foresight of our membership to appreciate what the owners are doing here and our membership "gets it". Happy New Year.

Smooth Rolling, *Fred Leonard*

View from 6 fairway to green

RENOVATION PROJECT

Lake updates, as all of you know the 5 lakes on the course were drained for the renovation of the course. In the process of getting the lake prepped for the renovation, we went out on the lakes with an electro-boat and shocked the lakes to move the fishes in the lakes. In the process of shocking the lake, we were able to move 1,200 lbs. of Largemouth Bass, and also 2,200 individual Blue Gills and Red Eared Sunfish from the five lakes. We relocated them into HO Lake and Fish Camp Lake so the fisheries in those two lakes are exceptional. With the five lakes closed down for the duration of the renovation we still have plenty of good fishing available.

As mentioned above, HO and Fish Camp are still open to fish and encourage you to fish those two lakes. We also have six more lakes available to fish: Park House, Watson, Heaven, Foyt/Winters, Muller, and Nelson Lake found throughout the Family Nine and the Front Nine. Each of those lakes offer an abundance of fish to be caught from Blue Gills, Tilapia, and also Largemouth Bass. But just a reminder regarding the lakes on the Family Nine, be mindful of golfers and allow them to play through if you are fishing the fairway side of the lakes. The lakes that they have been working on for the renovation are looking phenomenal, and will be a great addition to the fisheries program we already have. We plan on restocking them in the coming summer. Also for those of you waiting for the Rainbow Trout, we will keep you posted on the stocking and information as the time comes closer. We are still waiting on the water temps of the lakes to get a little cooler before we stock.

Like always, if you have any questions, need help with gear or finding out what the fish are hitting on or where the honey holes are, feel free to stop into fish camp or give me a call. I am always open to help out and talk. I am looking forward to the future fisheries program that we will have starting in 2016.

May the fish tails be great!

Jeff

607-973-0574

JLyons@houstonoaks.com

The Trout are coming!

In early January, we will be receiving 400 lbs. of 4 lb. trout and 400 pounds of 1 lb. trout.

These 800 lbs. of fish will be divided between 3 lakes, Havens Lake, Winters lake and The Park House lake.

Elijah Kahara
Director of Lodging

Introducing....The Oaks House

Featuring expansive accommodations and state-of-the-art amenities, our lodging units are the perfect setting for an authentic Texas experience you will never forget. Houston Oaks' accommodations offer the best features of a luxury home in a country setting with the services and amenities of a relaxed stay to create a unique home away from home experience.

You'll enjoy complete privacy, and all of the conveniences of home, from fully equipped kitchens to comfortable furnishings, plus Houston Oaks' friendly service and easy access to all the first class facilities and amenities at this family sports retreat.

In keeping with our commitment to offer world class facilities, we are excited to introduce The Oaks House. A pet friendly option, the beautiful Oaks House offers four bedrooms (3 King beds and 2 bunk beds with queens on the bottom and twins on top) that can comfortably accommodate up to 12 people. Perfect for families, the house boasts an open concept living space, separate formal dining and a study. With a stunning outdoor wood burning fireplace on the edge of our lake, we doubt you will spend much time indoors. A complimentary golf cart is included with this rental.

Next time you're at the Club, allow us to give you a tour.

Concierge Services

We offer unique personalized services to help you plan and enjoy your stay, leaving you with more time to spend with family and friends. Our Concierge are at your service to book dining reservations, arrange child care, schedule spa appointments, set up a tee time, arrange for a fishing excursion or even book a shooting session.

Just drop by the desk, give us a call or send us an email and we'll take care of the rest!

Pleasant Dreams, *Elijah*

TREE HOUSE FUN!

Just wanted to let you know how much fun we had at the tree house. It was a memory that we will never forget! The girls loved it and hope to make it an annual tradition.

It truly brought tears to my eyes as I thought about the way the girls bonded around the fire as we were making s'mores and singing campfire songs. They even started singing all their chapel songs from school.

What a true blessing it was. Thank you for building this magical place and including things like the tree house to appeal to the younger crowd."

Sincerely,
Sharon Sanchez

(Mom of one happy, 14 year old sweetheart)

HOUSTON OAKS GUN CLUB

After long anticipation the Gun Club opened November 21, 2015 with a bang! We included a chili cook-off, fun kid's activities, shooting and even a horse show by our Ranch Manager Bret Dolan and his assistant Lacey Norris. With the New Year comes new and exciting things at the Gun Club, whether it be watching football on the big screen, or renting the club for your private event.

New to our team is Martha (Marty) Holt. Martha became interested in the Shotgun Sports around 1995, and has shot Sporting Clays competitively since then. She studied the art of shooting under Dan Carlisle, an Olympic champion in both Skeet and Trap. In 2002 Marty became a shooting instructor to spread her love of the sport.

She currently volunteers her time with Texas Parks and Wildlife instructing women how to shoot during their 'Becoming an Outdoor Woman' events. Marty has served on the board of Texas Sporting Clays Association for the past 7 years as well as co-chaired the Lady Clay Shooters Houston chapter for the past 2 years. We are so happy to welcome Martha to our Houston Oaks family and can't wait for you all to get to know her.

On Fridays, Saturdays and Sundays the Gun Club offers Food and Beverage Options from noon until 6:00PM.

"The Houston Oaks family would like to thank all members for their generous comments and suggestions about the Gun Club. It has been our mission to make the shooting club a positive experience for all." - Phil Bankston

Bret Dolan
Ranch Manager

Hello Folks, my name is Bret Dolan and I am new to the HO Family. I am the new Ranch manager. My assistant and I have both been given the great privilege of not only riding but owning and competing on horses throughout our lives. It's not just a hobby but a lifestyle we live. I grew up on cattle ranches in Northern New Mexico and had the honor of working and learning from some of the greatest Cowboy's and Horsemen. My goal is to teach anyone that comes out to ride what I have learned with horses.

With construction of the new course underway, it will give you all a better chance to see the other activities Houston Oaks has to offer. Down here on the Ranch, we are now introducing private & group riding lessons. We teach both Western and English disciplines for all levels of riders. Depending on the level of rider, we can offer roping, reining, cutting, team sorting, reined cowhorse, and jumping lessons. For others we can teach control and balance while riding.

In the near future I will offer a viewing of the first ride on a 2 year old horse. This allows the viewers to see the importance

of being calm and trusting while dealing with a young horse. I hope it's a good and fun experience for all. We will also have more events such as team roping and team sorting for viewing coming soon. Team sorting and roping are great events for our team building programs. These programs can be offered for all members either as corporate or family events.

We welcome you to bring your own horse with private lesson packages you will be able to become more comfortable, as you both grow together to be a great team.

If you do not own a horse and are looking to find a horse for your loved one, we can help you find the perfect horse to fit your needs and discipline you are looking to pursue. Our main goal at Houston Oaks is for everyone to have a good time and trust the horse that they are riding.

We welcome all levels of riders and encourage everyone to come out and enjoy the fun family environment we are trying to achieve at the Houston Oaks Ranch. To schedule riding lessons please contact Heather Lyons at 936.372.4342. I hope to see everyone at the barn.

Back in the saddle, *Bret*

TECHNOLOGY UPDATES

How to change your HO website login:

Go to the website, click member login.

When the login box pops up, click 'Login Help?'

The website will then instruct you on how to change your username or password. Once you change your username or password, before logging into the site, check the box that says 'remember me', so that your password will be saved to your device.

Not receiving our weekly E-Blasts?

We have recently communicated with our website provider and discovered that due to members high security firewalls on e-mails, some members may not be receiving these E-Blasts. If you would like to provide your personal email to stay up to date with Houston Oaks Activities, please log into the website and go to your profile to change your email to a personal email.

Did you know our HO website can be just a tap away?

Iphone Users:

In your safari browser please go to our HO website. Once the webpage is brought up, at the bottom click the square icon

that has an arrow pointing up. Then, there will be a couple icons, (add to favorites, add bookmark, etc) swipe to the left and click 'Add to Home Screen'.

Then click 'Add' at the top right, HO will then be added to your home page.

Android Users:

In your internet browser of choice, please go to our HO website. Once on the webpage, click the 3 vertical dots on the top right corner. Then click 'Add to Home Screen' or 'Add Shortcut to Home Screen'.

Tech Tuesday

On Tuesday's, members can join each other at the piano bar from 6-8 pm to discuss how to tweet, facebook, instagram and pin on Pinterest. Come join in the fun!
